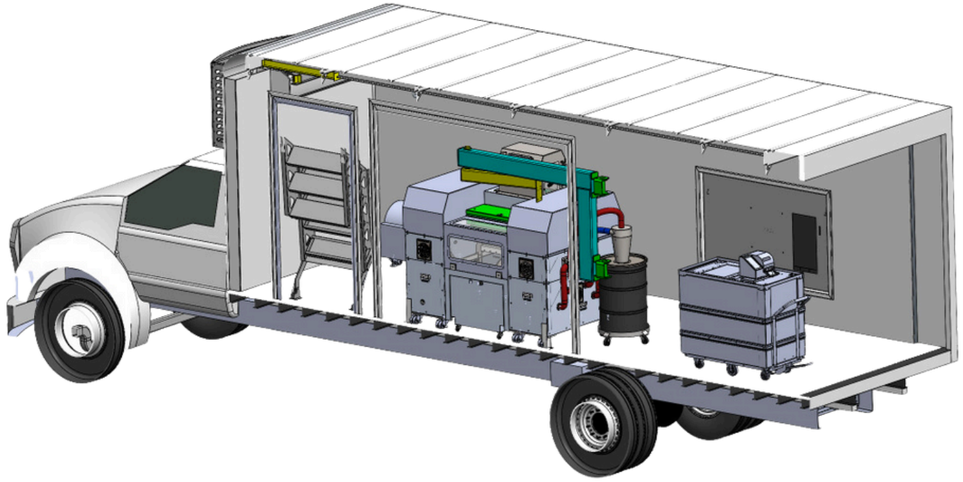
CRAFTSMEN INDUSTRIES, INC.

SECURITY AND SUSTAINABILITY

THE NEW ERA OF MOBILE DESTRUCTION

WHY DATASAND™ STANDS OUT

- **Compact Design:** 24′ box truck for easy maneuverability.
- **Class C Vehicle:** Drivable by anyone with a standard license (no CDL or Motor Carrier registration required).
- **Off-Grid Operation:** Features a powerful generator for independent functionality (& shore power).
- **24/7 Security:** Equipped with continuous CCTV monitoring for maximum security.
- **Advanced Tracking:** Integrated GPS with WiFi capabilities.



High security shredder.

30-Gallon Debris Collection: Equipped with level sensing for efficient operation.

ADVANCED SHREDDING CAPABILITIES

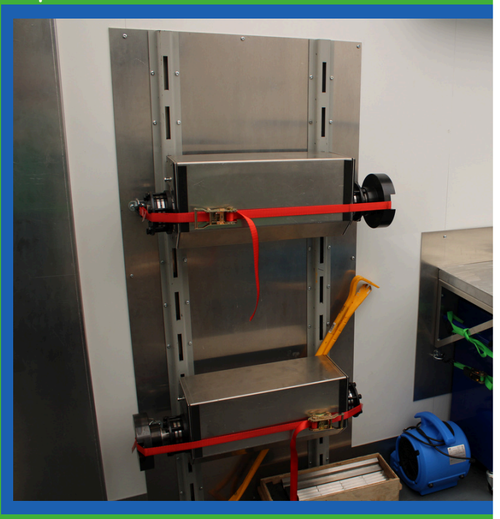
Superior shredding with MediaDice® A2 Disintegrator

- **High-Speed Shredding:** Fast and versatile disintegration.
  - 480+ HDD/hour
  - 1,440+ SSD/Hour
  - Shred all-media (switches, HDDs, SSDs, laptops, tablets, sim cards etc,).
  - Auto Un-jam so your machine stays operating.
- **Maximum Security:** 2mm x 2mm particle size ensures the highest compliance and security standards.
  - NSA, NIST 800-88, GDPR, HIPPA, DIN 66399 H7, E6.
- **On-Board Tools:** Replacement blades and tools for quick on-site repairs.

BUILT FOR OPERATIONAL EXCELLENCE

- **No Downtime:** On-board replacement blades and tools ensures quick repairs.
- **Remote Operations:** Run off-grid with built-in generator.
- **Continuous Monitoring:** 24/7 CCTV for peace of mind.

Replacement blades on board.



3 cameras for 360° security.

UNMATCHED MEDIA MANAGEMENT

No more missing drive investigations.
Period.

- **MediaVault™ Bin:** Secure transportation of sensitive media.
- **MediaVision™ Scanner:** Automatic certification of destruction creation.

2,000 lb. (907 kg) liftgate for quick unloading.

Hydraulic lift for easy unloading.

100%

ZERO-LANDFILL SOLUTION

- **Eco-Friendly:** Ensures all e-waste is recycled.
- **Sustainable Practices:** Leading the way in green ITAD solutions.
- **Environmental Responsibility:** Minimizing landfill impact.
- **Exceed ESG Goals:** Using DataSand™ helps clients surpass their Environmental, Social and Governance objectives.

REAL WORLD APPLICATIONS

Ideal for Various Industries

Corporate ITAD

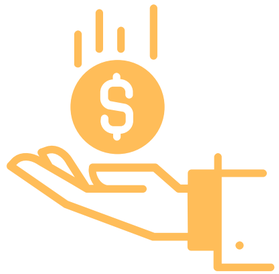
Efficient and secure data destruction.

Government

Compliant with stringent security protocols.

Healthcare

Protect sensitive patient information and stay HIPPA compliant.



Finance

Safeguard financial data and adhere to regulations.

CUSTOM SOLUTIONS WITH DATASAND™
